

Annunciation Youth Ministries Presents...

# Aluminum Can Recycling Fund Raiser

YES, that's right Annunciation Youth Ministries is looking for something you have been throwing away! Now you can be environmentally friendly and help raise money for youth group, last month we turned in over 250 pounds. Simply change your recycling day to Sunday, bring your recycling bag of empty aluminum beverage cans to church and leave them outside the youth room. We will crush them and do all the dirty work. Spread the word and bring your cans to church so we can turn trash into cash!

Any Question call Jimmy at 612-824-9993 ext 243
