## THE PICTURE BOOK PROJECT

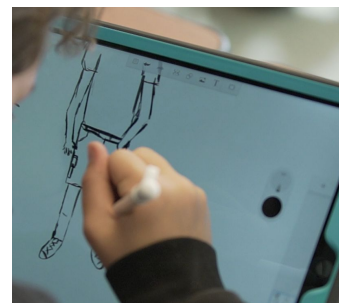

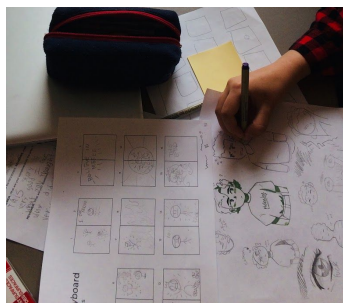

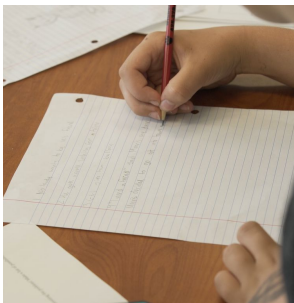

A Summer Workshop at Annunciation School

June 5-7 & 10-14, 2019

Join us this summer to practice essential writing techniques, engage your storytelling powers, and expand your illustration abilities!

This 8-day workshop explores the process of writing and illustrating picture books. Together with your friends, you will develop your own ideas into a complete, professionally printed book.

The instruction targets illustration lessons, design techniques, Minnesota state standards for narrative writing, as well as tips of the picture book trade.

Andrew LeTellier, Annunciation's middle school language arts teacher, will facilitate the workshop. Open to students entering Gr. 4-8. Space is limited, so sign up soon!

Questions or to register, email Mr. LeTellier:
