

Dear Annunciation Families,

As part of Catholic Schools Week, we are proud that our students will again be taking part in a service project—along with the Annunciation Parent Organization (APO)—where they will collect and pack bags of hygiene essentials for organizations who serve families in-need.

These organizations include:

- HCMC Neonatal Intensive Care Unit (NICU)—serving family member who find themselves over night due to traumatic circumstances.
- HCMC Coordinated Care Clinic (CCC)—providing care for patients with complex health issues and/or are homeless.
- Minnesota Visiting Nurses Association (MVNA)—providing home nursing visits for patients, including patients with children in the home who may be in need of various essentials.

**Kindergarten:** Granola Bars/Breakfast Bars

**1<sup>st</sup> Grade:** Deodorant
