

Parents,

September 30, 2009

We have a few new activities after school now and we are asking you to have your children check in with us before going to their activity. School is out at 2:25 and the after school activity classes do not start until 2:35. So please have your children come down as usual and put their back packs away and check in. This way we can also insure they get their snack before they go.

Please fill out the form below and get it back to us as soon as possible. We appreciate your help in this matter.
