

April 2010

Greetings from Extended Day! We had a lot of fun in the month of March celebrating St. Patrick's Day and getting ready for Easter. Your awesome, bright, and well-behaved children make our days fun and successful!

Extended Day will be open all summer long with many fun activities and field trips planned. If you wish to be a part of our summer program, please fill out a registration form by May 14th.

We will be closed on Monday, May 31st due to Memorial Day.
