

Attention:

Please note that there has been a change in the Summer Extended Day calendar.

The Twins game that was scheduled for June 30th is no longer an option due to the fact that the Twins are in a new stadium (about 12,000 less seats than the Metrodome) and season ticket numbers have doubled.

So June 30th, everyone will be staying on school grounds and our activity for that day will be Water Day.

The Twins game scheduled for July 21st is still scheduled. Because of the high demand for tickets, we were not able to get our usual priced tickets. Instead, the only tickets that were available for us are in the Home Run Porch. While these are better tickets, they are also more expensive.

If your child/children plan on attending the Twins game on July 21st, there will be an **additional \$10 fee per child**. This fee is above and beyond your regular daily fee and monthly activity fee. I will have to send in final ticket numbers and payment in advance. I will have to have a final ticket number by Friday, June 25th.

If you do not want to send your child to the game there will be staff staying back just like in the past. Please indicate your choice on your registration form.

If you have any questions, feel free to contact me at 612-824-9993 ext 210, or at jeff.wisdom@annunciationmsp.org

Thanks and sorry for any inconvenience,

Jeff Wisdom

Dear Parents,

The Annunciation School Extended Day program is offering a summer program for children enrolled in our school. The summer program will begin on Wednesday, June 9th and will end on Tuesday, August 24th. We will be open every day except July 5th.

Children who are registered for kindergarten at Annunciation for fall of 2010 are welcome along with all other Annunciation children. Our summer program is filled with fun and interesting field trips, sports, arts and crafts, science and nature, and recreational activities. Along with the many structured activities, there is also plenty of time for rest and relaxation with friends.

The fee is \$31 per day. Regardless of the number of days of attendance, there is an activity fee of \$50 per month, per child, to partially cover the expense of field trips, transportation, and tee shirts.

Contracting for days during the summer will occur at registration. This is done to schedule appropriate staffing. Circle the days you would like your child to attend. Days may be added later (if available), but days not attended (and contracted for) must still be paid. Changes in contracted days must occur prior to May 14th, 2010.

Billing will occur on a monthly basis. Like the school year, payment must be made in advance.

If you are interested in contracting for the Annunciation summer program, please fill out the attached forms and return them as soon as possible with the \$25 registration fee. Registration will remain open until May 14th, 2010, but registrations are processed as they come in. **Please note that your Extended Day balance must be paid in full and in good standing before summer registration is accepted.**

Parents have the option whether to send their child/children on the field trip taken to Target Field for the Twins games. Parents need to circle their choice on the registration form. There will be appropriate staffing to cover both options.

Please note that the field trip to Pump It Up on June 24th requires a waiver signed by a parent/guardian in order to attend this field trip. The waiver will be available the first week the summer program is open.

Please notice the spot on the registration form that indicates what size t-shirt your child/children will wear. They will receive their shirt the first day they attend. These shirts are to be worn for ALL off campus field trips. There will be a **\$5.00 fine** if your child doesn't bring their t-shirt on fieldtrip days.

For further information on the summer program, contact Jeff Wisdom at (612) 824-9993 Ext. 210.
