

Dear Annunciation Family,

Thank you for the great trust you place in us to send your children to our school. We are committed to providing an excellent, Catholic education for our students - the only Catholic, International Baccalaureate Preschool-5th Grade education available in Minnesota! We strive to live our mission with accessible tuition so that all families feel welcome in our beloved Annunciation community.

### **KINDERGARTEN- 8TH GRADE TUITION**

With input and guidance provided by both the Annunciation parish Finance Council and the advisory Annunciation School Council (ASC), we have discerned and adopted the tuition rates found below for the 2026-27 school year. Numerous factors go into this decision, but these amounts are driven by the educational needs of our students, rising expenses, and the importance of quality wages for our dedicated faculty, staff, and employees. We made the decision to eliminate the in-parish tuition rate and **introduce a new Parish Involvement Discount (PID)** that can be applied for. See more information on this discount below. Thus, all families will begin with the same standard tuition rate.

**The actual cost to educate a K-8 child for the 2024-25 school year was \$10,385.** Calculating that cost during this unprecedented school year and the next is still underway in light of our unique circumstances brought about in August 2025. Our expenses have risen, but so have external funding supports. Our tuition rates are always lower than this cost thanks to a generous parish subsidy, established endowments, fundraising, special events, and other essential donations. We have made the decision to move to one tuition rate, but that rate has only been rounded up to even dollar amounts with no percentage increase.

**Here at Annunciation, no student or family should ever be turned away because of financial considerations.** Read below for a variety of ways that tuition assistance is available for families in need. All families are welcome to apply for our need-based Help-a-Student Financial Aid. Applications are due no later than April 15, 2026. Our priority deadline is March 27, 2026. Financial Aid awards and tuition agreements will be shared by May 1, 2026. As a general rule, we look at 10% of a family's Adjusted Gross Income as their ability to contribute to an Annunciation education.

**The Parish Involvement Discount (PID) is a new concept for the 2026-27 school year as we transition away from different tuition rates. PID eligibility will be based on a family's commitment to sharing their time, talent, and treasure with the Annunciation community (defined below).** Families will self report their involvement and then a parish representative will approve or deny their request for the PID. Families are welcome to appeal a decision to deny the request with a sit down meeting with school and parish leadership.

1. **Time** – Regularly volunteer/attend events for parish and/or school (Mass, SeptemberFest, DWAS, Auction, APO, etc.)
2. **Talent** – Active involvement in school and/or parish councils/committees, working groups, activities and ministries.
3. **Treasure** – Contributes financially through consistent sustained giving to church/school.

**If we do not have your family registered as a parishioner, we will follow up with you after the re-enrollment process.** Click [here](#) to register for the parish. ## ANNUNCIATION ANNUAL FUND

Last year we introduced the invitation to make a pledge to our Annunciation Annual Fund as a part of our annual re-enrollment process. Our goal is simple: 100% participation from all school families. The amount you pledge is secondary - it is your participation we value most! We ask all families to pledge a gift they are comfortable with during the registration process. This pledge is optional, but full participation will allow us to tell our donor base that 100% of our families are committed to our mission and have pledged gifts to our Annunciation Annual Fund. Thank you for renewing your commitment to our community!

## FINANCIAL AID

We never want the cost of tuition to be a barrier to your family choosing a Catholic school education. Tuition assistance is available to new and returning students based on need through our Help-A-Student Fund. All financial aid requests are kept strictly confidential. **To be considered for aid, each family is required to complete a new financial aid application EACH YEAR.** One application serves all students in a family, unless there is a split household, in which case, each household must submit their own financial aid application. There is a \$34 fee to process this application. Please see the **Financial Aid Timeline** below:

> **November 1, 2025:** TADS financial aid applications are available for the 2026-27 school year. Begin the financial aid process with your 2024 tax return and most recent pay stubs.

> **February 27, 2026:** Aim Higher Foundation Scholarship application deadline (same as Annunciation Financial Aid application via TADS).

> **March 27, 2026:** Online TADS **Priority financial aid application deadline** including supporting tax and income documentation. If 2025 taxes are not completed, a preliminary application may be completed using 2024 tax information. New applications will be accepted after this date, but aid will be distributed to on-time applicants first and only to late applicants, as funds allow.

> **April 15, 2026:** Financial aid awards emailed to families and applied to TADS billing accounts, for applications that have been fully audited by TADS.

> **April 15, 2026:** Final financial aid deadline to update with 2025 year-end tax information and documentation (if not provided by the March 1 deadline).

> **May 1, 2026: Tuition Agreements sent.** Second round of financial aid awards emailed to families and applied to TADS billing accounts, for applications that have been fully audited by TADS.

> **May 15, 2026: Tuition Agreements DUE via TADS.**

> **After May 15, 2025:** Financial aid awarded as funds are available.

## Scholarships

The **CSAF and Aim Higher Scholarships** are awarded to students from families seeking tuition assistance. The scholarship follows students from Kindergarten through 8th grade. For new applicants, the CSAF/Aim Higher Scholarship is awarded to students from families with the most tuition assistance needed per eligible school. The deadline to apply is February 27, 2026. Please click [HERE](#) for application information.

Middle School Students entering 7th and 8th Grade can also apply for our annual **Abdo Scholarship** through an essay contest in late winter/early spring.

We will also be introducing the **Fletcher Merkel Memorial Scholarship** in the 2026-27 school year.

## Frequently Asked Questions

**Q:** If I have more than one student, do I have to complete a new Financial Aid application for each one?

**A:** No, the application serves all students since it determines financial need for the family. We rely on TADS to give us a complete picture of demonstrated need and we award financial aid by individual students.

**Q:** What if there are two households? Does each parent have to complete a financial aid application?

**A:** Yes, since we assess needs based on the family financial situation, TADS requires two applications, one from each household.

**Q:** Is financial aid renewable every year?

**A:** Since financial situations change from year to year, families must apply for tuition assistance every year. Generally speaking, unless your family financial situation changes significantly, you will likely qualify for similar aid each year.

**Q:** Why do I need to include a personal letter with my financial aid application?

**A:** TADS conducts an independent audit to determine your family's financial need for tuition assistance. However, sometimes this doesn't show the whole picture of your family's financial situation. Hearing more about your story is helpful to the financial aid committee when granting tuition assistance to your family.

**Q:** How can I learn more about tuition assistance?

**A:** We're here to help! Please contact Maddie Nilan at [mnilan@annunciationmsp.org](mailto:mnilan@annunciationmsp.org).

**If you have any questions about tuition, re-enrollment or financial aid, please reach out to Maddie Nilan at [mnilan@annunciationmsp.org](mailto:mnilan@annunciationmsp.org).**
