

The Annunciation School Extended Day program is offering a summer program for children enrolled in our school. The summer program will begin on Monday, June 6th and will end on Friday, August 19th. We will be open every day except July 5th. The program is open from 7:00am to 6:00pm.

Children who are registered for kindergarten at Annunciation for fall of 2022 are welcome along with all other Annunciation children. Our summer program is filled with fun and interesting field trips, sports, arts and crafts, science and nature, and recreational activities. Along with the many structured activities, there is also plenty of time for rest and relaxation with friends.

The daily fee is **\$50.00**. This fee includes the daily fee as well as any field trip and transportation expense. There is **NO** monthly activity fee.

Contracting for days during the summer will occur at registration. This is done to schedule appropriate staffing. Circle the days you would like your child to attend. Days may be added later (if available), but days not attended (and contracted for) must still be paid. Changes in contracted days must occur prior to May 13th, 2022.

Billing will occur on a monthly basis. **Just like in the school year, billing will be done through TADS.**

If you are interested in contracting for the Annunciation summer program, please fill out the attached forms and return them as soon as possible with the \$25 registration fee. Registration will remain open until May 13th, 2022, but registrations are processed as they come in. **Please note that your Extended Day balance must be paid in full and in good standing before summer registration is accepted.**

There will be a **\$5.00 fine** if your child doesn't bring their t-shirt on fieldtrip days. Also, parents will have the option of purchasing additional t-shirts. The first t-shirt is included in the registration fee and each additional shirt is **\$10.00**.

For further information on the summer program, contact Jeff Wisdom at jwisdom@annunciationmsp.org or (612) 824-9993 Ext. 285.
